Directors Comments

Nice weather for riding. I hope you all have had time to get your bikes out while we have this warm spell. Jana and I have had several rides lately and have finally gotten over the 100 mile mark. It's not really THAT warm.

We had a great time at Game Night. With this level of participation and enthusiasm we may want to consider a bigger place to hold these events. It's likely something we will take up as new business at one of the next meetings. Thanx to Mike and Westside for this place to meet, Toni and Chuck for putting things together and Terry Burns for being the "Voice Of Bunko". Mike Kessler won high score, Kyle Moran was the biggest loser, Rick Sparrow had the most round wins and Linda Kessler had the most losses.

We would like feedback on a possible weekend ride. Jana and I have plotted out a ride that would take us thru Lewiston to Hwy 12 with an overnight stop in Lolo Hot Springs, they have camping or cabins available. The return trip would take us thru Missoula and north on Hwy 200 to Sandpoint where we could come back thru Newport and south on Hwy 2 back to Spokane. Is this something we would like to do as a group? It is of course a summer ride because of the elevation of Lolo Pass. The feedback we are looking for is not route oriented, but participation oriented.

Newsletter Editor's Comments

Well here is my second edition of YOUR newsletter. I would like this newsletter to be error free but that is a goal to work towards with the realization that it is probably unattainable! Last month I asked ten questions and I had three people respond. Of those three: fifteen was the most motorcycles currently owned with a lifetime total of thirty. As expected - nobody thinks a ride for ice cream (or any other excuse to ride) is crazy as long as it has friends and maybe twisties, and scenery along the way. I had hoped for more responses to my ten questions but life gets in the way of many things. As always I am open to any suggestions and/or comments about the newsletter, I sincerely belief that it is YOUR newsletter and that I am just the editor: your submissions and comments is what will make it great!

This month I have only two questions:

1. What are three things that you would make sure and tell every new member of the Lilac City Wings.
2. What is one of the more obscure rules/procedures of the chapter that you think every member should know?

AUCTION AND POTLUCK

MARCH 27, 2010

Just a reminder that the annual auction will be held March 27, 2010. This is one of two major fundraisers (the second being MAD) held each year that produces revenue to help offset the cost of events held for the members of Chapter G. The proceeds benefit every member of the chapter that participates in any function that spends money from the chapter treasury such as game nights, Christmas parties, Halloween parties, progressive dinner, etc.

Start looking around the house for good, usable articles to bring. Please no white elephant items. Only bring something that you wouldn't mind purchasing at a fair price. Participation is the key to this being another successful auction. Feel free to bring friends and/or relatives. If you will not be able to participate, please consider sending a donation to the chapter treasurer.

As we have done for the past few years, there will be lots of fun and surprises for everyone who comes to the auction. All the information you will need regarding time, location, etc. will be provided in the March newsletter or at the March meeting.

If you have any questions, please call Terry or Peggy Burns, 509.922.2454.
